AUSTRALIAN TOUR – OCTOBER 2011

John Waters

This Filthy World

The brilliantly entertaining filmmaker, writer and shock auteur supreme, John Waters is coming to Australia for a national tour to perform his glorious one man show.

Focusing on Waters' early negative artistic influences and his fascination with true crime, exploitation films, fashion lunacy and the extremes of the contemporary art world, this joyously devious monologue elevates all that is trashy in life into a call to arms to "filth followers" everywhere.

America's royal raconteur and director of cult film classics such as *Pink Flamingos*, *Hairspray*, *Cry Baby* and *Polyester*, Waters is famous and infamous as the "Pope of Trash".

Since his teenage years, John Waters has used Baltimore, which he fondly dubbed the "Hairdo Capitol of the World", as the setting for all his films.

This Filthy World is an essential experience for anyone interested in how not to make a movie, how to become famous (read infamous) and how to shock and make people laugh.
